UNDER 37 C.F.R. 1.312

Alexandria, VA 22313-1450

Applicant gratefully acknowledges the notice of allowance in this case and requests entry of the attached amendment after notice of allowance under 37 C.F.R. 1.312 for the following reasons:

- a) The amendments are needed because they correct an error in the claims. Specifically, claims 220, 221, 223, 224, 229, 230, and 231 refer to "said alkylaryl sulfonic acid" (emphasis added); however, no antecedent basis exists for the limitation. The claims are amended to delete the word "said," and to refer simply to "alkylaryl sulfonic acid."
- b) The amendments do not change the scope of the claims, and do not require additional search or examination;
- c) The claims are patentable for the same reasons underlying the notice of allowance;
